RE: Mrs. Christiane J. Allison
MC#: 
DOB: 

Dear Dr. Boston:

Thank you for the referral of Mrs. Christiane J. Allison who was examined here recently.

Our final diagnoses were:

- Ehlers-Danlos type 3 appearance with hypermobile joints

Enclosed is the clinical documentation which summarizes our impressions and recommendations (Krueger, Bruce R: Sep-10-2009; Jacobson, Patricia A: Sep-9-2009; Gavrilova, Ralitzia H: Sep-8-2009; Osborn, Thomas G: Sep-8-2009). I have also included the most recent echocardiography, laboratory results, pathology, and surgical reports.

Thank you again for the referral. If you have questions or if I can be of service in this patient's care, please be in touch.

Sincerely,

Thomas G. Osborn, M.D.
